DEPARTMENT OF MEDICINE

Manuscript Writing Workshop: An Overview of the Writing, Reviewing and Editing for Clinical Research

March 16th & 17th, 2023

9:00am – 5:00pm (in person)

Location: Medical Education Building – Conference Room 108B
1 Robert Wood Johnson Place, New Brunswick, NJ 08901

Targeted Audience

Residents, fellows and medical students who are interested in learning how to write a manuscript for medical journals and navigate the publication process.

Topics Covered

Overview of manuscript structure and the publication process
Tips and tricks from professional reviewers and editors
Hands-on activities designing figures and graphical abstracts

Prerequisite/Expectations

Experience writing abstracts for scientific conferences and/or peer-review manuscripts, completion of pre- and post-workshop survey, and participation in both days of the workshop.

Interested?

Limited seats available and requires commitment to attend and participate in both days of workshop. Accepting registration through March 13th. No cost for attendance. Breakfast/lunch included.

If interested, please complete the registration survey: https://redcap.link/workshop_manuscript

If you have any questions about the workshop, please contact Benjamin Bates, MD:
